Make your mark as an 'OINK' artist!

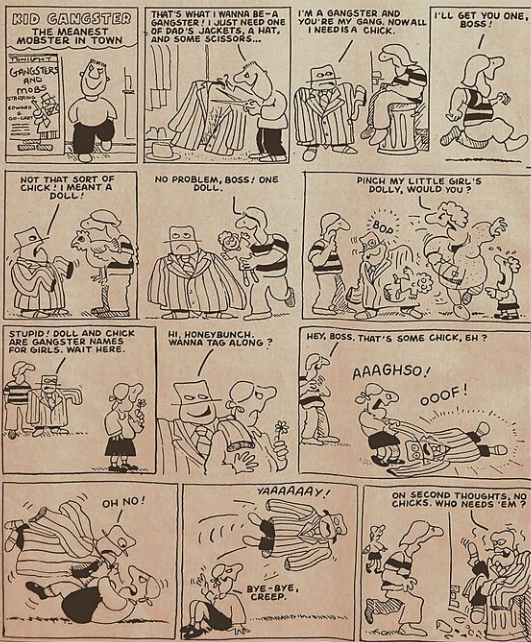

Yesterday I caught Fat Freddie Fritterton, one of our cartoonists, eyeing a Pork Chop in the canteen. I had no choice but to eat his pen nib on the spot. Then I realised my mistake. Unfortunately, he hadn't completed the story below. If you think you could make your mark as an 'OINK' Artist, then get your pens out and get to work!

SURPRISE COMPETITION!

The surprise is there are no prizes!

PIECES THE HADDOCK

(Feb 20 - Mar 20)

You will catch a rare and hideous tropical disease from your pet tortoise, and all your hair and teeth will fall out. But cheer up! You will win a year's supply of toothpaste and shampoo in a breakfast cereal competition.

HAIRES THE WARTING

(Mar 21 - April 20)

Beware of accidents in the home - your roof will fall in when an alien spacecraft lands on it. Wear clear underwear as you go out, as the elastic in your trousers will snap.

TAURUS THE RUN

(April 21 - June 21)

Same as the above, only worse.

JIM N'L THE TWINS

(April 22 - June 21)

To avert bad luck today, wear your shoes on the wrong feet, put your underpants on inside out, and paint your bottom blue. It probably won't work, but it will give them a good laugh when you get taken into the casualty ward.

CECIL THE CRAB

(June 22 - July 21)

Try to give up walking sideways, or you will fall down a deep hole.

LEO THE LIAR

(July 22 - Aug 21)

You will catch a bank robber, and be given a huge reward, a medal and a shipyard. You will become rich and famous and everyone will love you. P.S. I'm lying.

BERKO THE BEEK

(Aug 22 - Sep 21)

If you can read this, you can't be a real beek, so get lost.

LIBRO THE SNAIL

(Sep 22 - Oct 21)

You are slow, slimy and stupid (this isn't a prediction, just a statement of fact). The next lettuce you eat will be infested with ringworm.

ACNE THE PIMPLE

(Oct 22 - Nov 21)

You have reached the age when your skin erupts in ugly blackheads and revolting boils. Don't worry, honey. It's just a phase you're going through, and will probably clear up sometime in the next 40 years.

NORMAN THE CABBAGE

(Nov 22 - Dec 21)

Nothing will happen to you today, as usual, you boring little creep.

CAPRICORN THE MORION

(Dec 22 - Jan 20)

You are still asleep, and dreaming that you are reading this. Bang your head on the table until you wake up.

PIGUS THE PIG

(Jan 21 - Feb 19)

Beware of men in striped aprons carrying sharp, shiny things.

Love,
Russell XXX
